

Your Credit Union:**Key Essentials to Implementing your Plans**

RBK are delighted to invite you to our 9th Annual Credit Union Seminar.

Our programme for the day includes our annual benchmarking survey results and recent developments in the sector.

RBK have spent significant time this year in assisting Credit Unions implementing their strategy and achieving best practice in critical areas. Our Seminar this year will focus on the critical areas of strategy implementation, Regulatory Board Reporting, HR & IT.

We are also excited to host a panel discussion with a number of Credit Union CEO's to discuss their successes and learnings in these areas.
