

Internship Programme

Chartered Accountants &
Business Advisers

Give yourself the best start by working with one of Ireland's leading business advisory firms.

RBK are delighted to offer students the opportunity to join our internship programme where you will gain a unique and practical insight into working in a leading Chartered Accounting and Tax Advisory Firm.

What do we Offer?

- > We offer placements across a range of service lines from audit, tax and business advisory to corporate finance, international tax and support services.
- > Placing a strong focus on nurturing talent and developing skills, interns will gain invaluable experience working with all levels of staff from trainees to Partner level, working with our diverse range of clients from domestic and overseas individuals and companies.
- > This experience will reflect that of a first year trainee and will give you a distinct advantage when choosing your career path, providing you with an insight into working life for a large nationwide professional services firm.

You Decide...

Throughout 2021, we are delighted to offer 15 fully paid internship places throughout our 3 offices in Dublin, Athlone and Roscommon across all service lines.

- > Open to applications from all disciplines.
- > If a placement forms part of your degree then we are happy to discuss your specific dates.
- > We also offer Summer Placements in any of our offices over eight or twelve weeks.
